The Final Declaration of the Third Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, in the section dealing with the review of Article XII of the Convention, contained the following decision:

2. By resolution 50/79, adopted without a vote on 12 December 1995, the General Assembly, inter alia, noted that, at the request of the States Parties, a Fourth Review Conference of the Parties to the Convention would be held at Geneva from 25 November to 13 December 1996, and that, following appropriate consultations, a Preparatory Committee for that Conference had been formed, open to all Parties to the Convention, and that the Committee would meet in Geneva from 9 to 12 April 1996.

	Vice-Chairman	(Western Group)
	Vice-Chairman	(Group of Non-Aligned and Other States)
Credentials Committee:	Chairman	(Group of Non-Aligned and Other States)
	Vice-Chairman	(Group of Eastern European States)

12. In the course of its session the Committee considered the following questions relating to the organization of the Review Conference:

(a) Date and duration

(b) Provisional agenda

(c) Draft Rules of Procedure

(d) Background documentation

(e) Final document(s).

Date and duration

13. The Committee decided that the Conference should take place in Geneva from 25 November to 6 December 1996.

Provisional Agenda

14. The Committee agreed to recommend as the provisional agenda of the Fourth Review Conference the agenda of the Third Review Conference, as contained in document BWC/CONF.III/1, with the following change:

A new item 12 was included, entitled "12. Consideration of the work of the Ad Hoc Group established by the Special Conference in 1994.", and the subsequent agenda items were renumbered accordingly.

15. The provisional agenda, as approved by the Committee, is attached to this report as annex I.

Draft Rules of Procedure

16. The Committee agreed to recommend as the draft Rules of Procedure of the Fourth Review Conference the Rules of Procedure of the Third Review Conference, as contained in document BWC/CONF.III/23.

17. The draft Rules of Procedure, as approved by the Committee, are attached to this report as annex II.

18. The Committee agreed to recommend that, with respect to Rule 5, the Review Conference should elect a Chairman and two Vice-Chairmen of the Drafting Committee.

19. The Committee further agreed to recommend that the General Committee referred to in Rule 8 should be composed of the President of the Review Conference, the 20 Vice-Presidents (10 from the Group of Non-Aligned and Other States, 6 from the Western Group, and 4 from the Group of Eastern European States) and the Chairman and the two Vice-Chairmen of the Committee of the Whole, the Chairman and the two Vice-Chairmen of the Drafting Committee, the Chairman and the Vice-Chairman of the Credentials Committee, to be elected in accordance with Rule 5, and the three Regional Group Co-ordinators.

Background documentation

20. The Preparatory Committee decided to request the United Nations Secretary-General to prepare a background information document providing, in summary tabular form, data on the participation of States Parties in the agreed confidence-building measures since the last Review Conference.

21. The Preparatory Committee decided to request the Secretariat to compile a background information document on compliance by States Parties with all their obligations under the Convention. For the purpose of compiling this document, the Secretariat would request States Parties to provide information regarding compliance with all the provisions of the Convention. The Committee also decided to invite States Parties that wished to do so, including the Depositary Governments, to submit to the Secretariat information on new scientific and technological developments relevant to the Convention. This information should cover the applications being made of such developments and their relevance to various aspects of the Convention.

22. The Committee also decided that all background documentation should be circulated not later than four weeks before the opening of the Conference.

Publicity

23. Regarding publicity for the Review Conference, the Committee decided to request the Secretariat to issue press releases for the meetings of the Review Conference.

Final document(s)

24. With respect to the question of final document(s) of the Review Conference, the Preparatory Committee decided to include an appropriate item in the provisional agenda of the Conference (see annex I).

III. APPOINTMENT OF A SECRETARY-GENERAL OF THE CONFERENCE

25. Within the context of draft Rule 10 providing for a Secretary-General of the Review Conference, the Committee decided to invite the Secretary-General of the United Nations, in consultation with the members of the Preparatory Committee, to nominate an official to act on behalf of the Committee as Provisional Secretary-General of the Review Conference, the nominee to be confirmed by the Review Conference in accordance with the Rules of Procedure.

IV. COST ESTIMATES

26. The Preparatory Committee considered preliminary estimates, prepared by the Secretariat, of the costs of the Committee and of the fourth Review Conference. It was agreed to revise these estimates to take into account the fact that the session of the Preparatory Committee was considerably shorter than had been envisaged and that it had been agreed that the Fourth Review Conference would meet for two weeks and would be unlikely to require more than 36 meetings with interpretation services. It was agreed to delete the provision for a Secretariat legal affairs officer from New York to attend the Fourth Review Conference since it seemed unlikely that the work of the Conference would require such expertise; if, in the event, legal advice from the Secretariat was required, it was agreed that this could be provided by telephone or facsimile. These decisions of the Preparatory Committee were reflected in document BWC/CONF.IV/PC/3.

V. ADOPTION OF THE REPORT

27. At its fourth and last meeting, on 10 April 1996, the Preparatory Committee adopted its report. It recommended that this report, without its annexes, be annexed to the final document of the Fourth Review Conference.

Permission to speak on a motion to reconsider shall be accorded only to two speakers opposing the motion, after which it shall be immediately put to the vote.

2. The task of the Review Conference being to review the operation of the Convention with a view to assuring that the purposes of the preamble and the provisions of the Convention are being realized, and thus to strengthen its effectiveness, every effort should be made to reach agreement on substantive matters by means of consensus. There should be no voting on such matters until all efforts to achieve consensus have been exhausted.

3. If, notwithstanding the best efforts of delegates to achieve consensus, a matter of substance comes up for voting, the President shall defer the vote for 48 hours and during this period of deferment shall make every effort, with the assistance of the General Committee, to facilitate the achievement of general agreement, and shall report to the Conference prior to the end of the period.

4. If by the end of the period of deferment the Conference has not reached agreement, voting shall take place and decisions shall be taken by a two-thirds majority of the representatives present and voting, providing that such majority shall include at least a majority of the States participating in the Conference.

5. If the question arises whether a matter is one of procedure or of substance, the President of the Conference shall rule on the question. Rule 32

1. If, when only one elective place is to be filled, no candidate obtains in the first ballot the majority required, a second ballot shall be taken, confined to the two candidates having obtained the largest number of votes. If in the second ballot the votes are equally divided, the President shall decide between the candidates by drawing lots.

2. In the case of a tie in the first ballot among the candidates obtaining the second largest number of votes, a special ballot shall be held among such candidates for the purpose of reducing their number to two; similarly, in the case of a tie among three or more candidates obtaining the largest number of votes, a special ballot shall be held, if a tie again

results in the special ballot, the President shall eliminate one candidate by drawing lots and thereafter another ballot shall be held in accordance with paragraph 1.

Rule 33

1. When two or more elective places are to be filled at one time under the same conditions, those candidates, in a number not exceeding the number of such places, obtaining in the first ballot the majority required and the largest number of votes, shall be elected.

2. If the number of candidates obtaining such majority is less than the number of places to be filled, additional ballots shall be held to fill the remaining places, provided that if only one place remains to be filled the procedures in rule 32 shall be applied. The ballot shall be restricted to the unsuccessful candidates having obtained the largest number of votes in the previous ballot, but not exceeding twice the number of places remaining to be filled. However, in the case of a tie between a greater number of unsuccessful candidates a special ballot shall be held for the purpose of reducing the number of candidates to the required number; if a tie again results among more than the required number of candidates, the President shall reduce their number to that required by drawing lots.

3. If such a restricted ballot (not counting a special ballot held under the conditions specified in the last sentence of paragraph 2) is inconclusive, the President shall decide among the candidates by drawing lots.

ESTIMATED COSTS OF THE PREPARATORY COMMITTEE AND THE FOURTH REVIEW CONFERENCE OF THE PARTIES TO THE CONVENTION ON THE PROHIBITION OF THE DEVELOPMENT, PRODUCTION AND STOCKPILING OF BACTERIOLOGICAL (BIOLOGICAL) AND TOXIN WEAPONS AND ON THEIR DESTRUCTION

Note by the Secretariat

1. The Fourth Preview Conference of the States Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction will be held in Geneva from 25 November to 6 December 1996. The Conference was preceded by a Preparatory Committee which met in Geneva from 9-10 April 1996.

2. The costs of the Review Conference and its Preparatory Committee (including both conference and non-conference servicing requirements) are estimated at US$ 1,245,800 and US$ 134,100 respectively. A breakdown of these costs is provided in the annex to the present document.

3. It should be noted that the costs are estimated on the basis of past experience and anticipated workload. The actual costs will only be determined after closure of the sessions when the exact workload is known. At that time, any adjustment in the contributions by the participants sharing the costs will be made accordingly.

4. With regard to the financial arrangements, it will be recalled that in accordance with the practice followed on the occasion of previous disarmament conferences, the costs of such conferences, including those pertaining to preparatory meetings, were shared among the States Parties participating in the conferences based on the United Nations scale of assessment pro-rated to take into account the number of States Parties participating in the conferences. States which were not States Parties to the Convention and which had accepted the invitation to take part in the conferences shared in the costs to the extent of their respective rates of assessment under the United Nations scale.

5. In accordance with past practice, assessment notices will be prepared based on the overall estimated costs and the applicable cost-sharing formula. Since the holding of the sessions of the Preparatory Committee and the Review Conference shall have no financial implication for the regular budget of the Organization, States Parties should proceed with the payment of their share of the estimated costs as soon as assessment notices have been received.
